

TSDSI RNR Committee –Terms of Reference

Approved as on 29 July 2021

RK Pathak, Chair, RNR Committee

Terms of Reference of the TSDSI GC RNR Committee

- To project Indian interests, articulate service providers' requirements, and promote Indian IPRs into International standards and products.
- To help to create an ecosystem for Telecom / Digital communication equipment manufacturing in India, which is not a viable business proposition today due to significant outflow towards IPR licensing costs.
- To meet India specific requirements, which is expected to promote indigenous R&D and manufacturing & creating Indians IPRs.
- To influence various international telecom Standards Development Organisations and Forums in the development of global standards and in the inclusion of Indian IPRs in them.
- To follow the principles of openness, transparency, fairness, consensus and due process in conducting its activities. It shall maintain technology neutrality and provide a uniform playing field for all of its Members and consistently endeavour to prioritize Indian IPR.
- To facilitate coordinated development of Standards for Telecom / Digital communication, especially suited to Indian environment. The Society shall play a key role in the development and deployment of new products and services based on these Standards.
- To follow principle of universality and the desirability of universal participation in the Society, be composed of entities whose primary work/product is related to the Telecom / Digital communication activities.
